

Press Release

CAF President Ahmad Ahmad has contracted COVID-19

Cairo, Friday October 30, 2020

After his arrival in Cairo on Wednesday October 28, Mr. Ahmad Ahmad, President of CAF, presented mild flu symptoms, and submitted to the Covid19 protocol. Today, the test results are positive. The President immediately self-isolate for at least the next 14 days at his hotel.

All those who have come into contact with Mr. Ahmad over the past seven days - especially during his trip to Morocco for the Confederation Cup - have been informed and requested to take the necessary measures.
